**www.peec.org**

**Pocono Environmental Education Center  
RR2 Box 1010  
Dingmans Ferry, PA 18328**

The Pocono Environmental Education Center enhances environmental awareness, knowledge and appreciation through hands-on experience in a natural outdoor classroom.

## **FAMILY NATURE GETAWAYS**

PEEC's family programs provide a great escape from the demands of everyday life and gives participants the chance to spend quality time with their family in a National Park only two hours from NYC or Philadelphia. Children and adults have the opportunity to enjoy the great outdoors and to learn about the amazing plants and animals that abound on the Pocono Plateau.

Spend the weekend participating in scheduled activities hike our trails to take in the calming and rejuvenating energy that a weekend in the outdoors can provide.

## **PEEC'S MISSION**

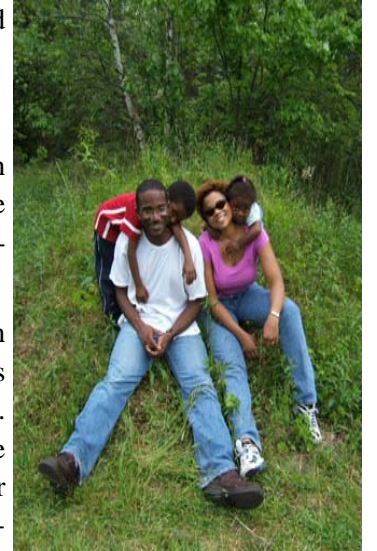

The Pocono Environmental Education Center (PEEC) enhances environmental awareness, knowledge and appreciation through hands-on experience in a natural outdoor classroom. We have 12 miles of hiking trails, two ponds, waterfalls, plenty of wildlife and experienced staff to help you and your family unwind and become more in-tune with nature.

## **ABOUT PEEC**

The Pocono Environmental Education Center (PEEC), in cooperation with the National Park Service, is one of the most well established residential centers in the US for environmental education.

Located in the Delaware Water Gap National Recreation Area. We offer a variety of housing options for families including rustic single room cabins and group lodges. These facilities can accommodate 4-40 people and include a full bathroom, bunk beds, heat and electricity. The center also has a YURT village that gives participants a comfortable, but yet close to nature experience. Yurts are furnished, have electric, and a new bathhouse is located beside the village for guest comfort.

Meals are served buffet style in our new award winning Dining Hall by professional food service staff. Special dietary needs of participants can be accommodated.

**PEEC IS CLOSE TO HOME,  
WHERE LEARNING COMES NATURALLY!**
