PEEC's mission is to enhance environmental awareness, knowledge and appreciation through hands-on experience in a natural outdoor classroom. It provides unique year-round environmental experiences to families, school groups, scouts and nature enthusiasts of all ages. PEEC is located off of Route 209, near mile marker 8, within the Delaware Water Gap National Recreation Area, in Dingmans Ferry, PA (Lehman Township).

PEEC is close to home, where learning comes naturally!
