Scout Groups

PEEC has expert staff on-hand who are trained to teach and facilitate outdoor and environmental scouting badges, including Merit Badges for Boy Scouts and Journeys for Girl Scouts. Troops can completely customize their experience at PEEC. Choose between spending all weekend learning badges or simply staying in our facilities.

Badge Festivals

PEEC offers Badge Festivals throughout the year. These are a great way for individuals or an entire troop to work towards select badges or journeys. Rates are $20 per person for a full day and $12 per person for a half day.

Clubs and Organizations

PEEC excels at working with a diverse range of clubs, including youth groups, 4-H clubs, ecology clubs, student government, photography clubs, church groups, leadership organizations, and many more! In addition to instructor-led activities, some organizations turn to PEEC as a location for hosting meet ups, conferences, and symposiums for small and large groups.

Rates

Day rates for non-residential programs are $25 per person per day. This can include up to four instructor-led classes. Off-campus park tours led by PEEC staff are available for an additional fee. Weekend rates are available for troops and clubs. Classes, meals, and group size are all factors in our pricing—call for rates. Reduced rates are available from November through March. Call 570-828-2319 or check www.peec.org for more information and to schedule your visit.

Lodging and Facilities

PEEC offers a variety of lodging options, including yurts, cabins, and tent sites. Facilities can accommodate 4 to 300 people and range from rustic campsites to winterized cabins with modern facilities and electricity. Participants may arrange to cook their own meals or have meals served buffet-style in PEEC’s award-winning dining hall. Special dietary needs of participants can be addressed with advance notice.

Some groups stay in PEEC’s facilities while running their own programming or exploring the local area. PEEC is located in the Delaware Water Gap National Recreation Area, a park with 70,000 acres of woods, waterfalls, and the Delaware River. Many visitors to the park will hike, bike, and paddle during the day before returning to their lodging at PEEC.
