Behavioral Expectations and Policy
Each year we look forward to having campers who are ready to learn and be active adventurers in our camp curriculum. All campers and parents must agree to PEEC’s behavioral policies in order to attend camp. Our rules are based on respect for the safety and well-being of the PEEC community. Campers and parents may not physically or emotionally endanger themselves, other campers, staff, or other people. Stealing, damaging, or destroying camper, staff, or PEEC property will result in the removal of camper from the program.

Refund Policy
When registering, a reservation deposit per session is required, plus any optional add-on services such as transportation. Requests for refunds must be made in writing. Refund requests at least 10 business days before the session will receive a 100% refund. Refund requests fewer than 10 business days before a session will be granted, minus the reservation deposit.

Register online at peec.org/camp or contact PEEC for a paper copy of the registration form. A $25 late fee will be added for registrations after 12pm the Friday before a session.
